## III. General Social Castle Weekends & What’s rumbling around us in the Engadin this Summer

Over the Summer, the “Social Castle” will open every Friday and Saturday, sometimes Thursday, ... sometimes more ;-)  
Basically, when “the Bear walks around” the Bears also rumble at Château ;-)

**Some TIPS** : Festival da Jazz (July 6<sup>th</sup> – 31<sup>st</sup> : [www.festivaldajazz.ch](http://www.festivaldajazz.ch) ), the last Summer of Classical Music & Theater in the Julierturm ([www.origen.ch](http://www.origen.ch) ), British Car Classics (July 7<sup>th</sup> -9<sup>th</sup>), Sommermärkte (first July 7<sup>th</sup>), Summer Polo (July 21<sup>st</sup> – 23<sup>rd</sup> ). And a very personal Tipp : did you know: the whole summer long (June 18<sup>th</sup> till Sept 24<sup>th</sup>) you can listen to classical music concerts romantically in the woods, EVERY DAY AT 11.00 and for free ?

See you in St.Moritz Paradise this Summer !
